Hi Estrella,

The attachments didn't come through but we haven't release any additional information yet. You most likely have the main publicly available sources of information:

-Q & A information

-Press Statement

It would also probably be ok to say we expect to share the finalized testing data within the next several days/week.

Noon time just past but let me know if there is something more specific needed.

Thanks,  
Shamus

Ed,

Our RA is seeking talking points on the Clarke Mosquito Control Matter, by noon today. I'd like to provide the attached information, but wanted to check in to find out if there have been any changes to information shared publicly that you think would be helpful. Thanks.

Regards,
